MERIT[®]
SERIES

GAS FURNACE | ML180V

Single-stage, 80% fuel-efficient gas furnace
with variable-speed fan motor

CONSIDER THE BAR RAISED.

Welcome to the Lennox® standard of excellence. Merit® Series is the introductory product line that raises the bar for heating and cooling equipment. Don't settle when it comes to the air inside your home—ask for more. Ask for Merit.

Ask More from Your Air.

Keep temperature swings to a minimum

Your home will stay perfectly comfortable with steady temperatures, improved humidity control and smart energy use, thanks to a single-stage, variable-speed motor.

RELAX.

SAVE MONEY EVERY MONTH

- An energy-efficient design means this furnace keeps your home comfortable and saves on monthly utility bills. Plus, when paired with a programmable thermostat, you could save up to 35% in utility costs*.

A SMARTER SYSTEM

- When this furnace is installed with a compatible Lennox heat pump, it creates a heating system that can switch back and forth between gas and electricity automatically, based on whichever is most cost-efficient for the weather conditions at the time.

PEACE-OF-MIND PROTECTION

- This furnace comes with a 20-year limited warranty on the heat exchanger and a 5-year limited warranty on remaining covered components. A valuable 10-year extended limited warranty is also available once the product is registered.**

*U.S. Department of Energy statistics.

**Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

California Only

If installed in South Coast Air Quality Management District (SCAQMD) only: This furnace does not meet the SCAQMD Rule 1111 NOx emission limit (14 ng/J), and thus is subject to a mitigation fee of up to \$450. This furnace is not eligible for the Clean Air Furnace Rebate Program: www.CleanAirFurnaceRebate.com. If installed in San Joaquin Valley Air Pollution Control District (SJVAPCD) only: This furnace does not meet the SJVAPCD Rule 4905 NOx emission limit (14 ng/J), and thus is subject to a mitigation fee of up to \$450.
